To the attention of Mr. **Bogdan IEGOROV**

Dear Professor,

State Agrarian University of Moldova is very honoured and privileged to have cooperation with Odessa National Academy of Food Technologies.

I would like to extend my sincere thanks for invitation of participation of our students at International Competition of Student Scientific Works "Black Sea Science" 2019, held by Odessa National Academy of Food Technologies and also to Mrs. **Marina MARDAR** for the involvement in invitation.

It was a great opportunity for our students to take part at an International event that is a priority for our university. We strongly believe and will do our best to strengthen our cooperation in the future.

The Certificates of participation were solemn handed to the participants.

In the hope of an equally advantageous future collaboration.

Sincerely,

Liviu VOLCONOVICI
